It must have been love

The Look

1-2-3-4 walking like a man
hittin like a hammer
she's a juvenile scam
never was a quitter
tasty like a raindrop
she's got the look

Heavenly bound
cause heaven's got a number
when she's spinning me around
kissing is a color
her loving is a wild dog
She's got the look

She's got the look
She's got the look
What in the world can make a brown-eyed
girl turn blue
when everything I'll ever do
I'll do for you and I go
La la la la

she's got the look

Fire in the ice
naked to the t-bone
is a lover's disguise
banging on the head drum
shaking like a mad bull
She's got the look

Swaying to the band
moving like a hammer
she's a miracle man
loving is the ocean
kissing is the wet sand
She's got the look

And she goes: na na na na na na na

This song is about a boy who is in love with
a crazy girl! She's a little tuff and cool.

It Must Have Been Love

Lay a whisper on my pillow leave the winter
on the ground
I wake up lonely there's air of silence in the
bedroom and all around
touch me now I close my eyes and dream
away

It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
from the moment we touched 'til the time
had run out

Make-believing we're together that I'm
sheltered by your heart but in and outside
I've turned to water like a teardrop in your
palm and it's a hard

Christmas (winter's) day I dream away

It must have been love but it's over now
It was all that I wanted now I'm living
without
It must have been love but it's over now
it's were the water flows it's were the wind
blows

This song is about love, which is over. The
girl wakes up and she is alone and it's very
quiet. She is sad.

The song was in the movie "Pretty woman".
